### House Appropriations Request FY 2010

**Project Name:** Consortium for Plant Biotechnology Research  
**Recipient:** Consortium for Plant Biotechnology Research, Inc.  
**Recipient Address:** 100 Sylvan Drive, Suite 210  
**Recipient City:** Saint Simons Island  
**Recipient State:** Georgia  
**Recipient Zip:** 31522

**Amount of Request:** \$7,000,000

#### Explanation of the request:

The Consortium for Plant Biotechnology Research (CPBR) will fund university research and technology transfer for energy security and the renewable energy industry.

Working with North Carolina State University, CPBR will develop new and improved technologies that range from renewable energy and biofuels to industrial manufacturing processes. CPBR will help build the agricultural and renewable energy industries and the workforce of the future that will reduce US dependence on foreign oil and create new, good-paying jobs in North Carolina and the nation.

CPBR's North Carolina industry partners include BASF Plant Science, LLC, Bayer CropScience, MeadWestvaco Corporation, NC State Natural Resources Foundation, Inc. and Syngenta.

*In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.*
